Join us for the International Assembly Night

EFAC (European Factory Automation Committee) has the pleasure to invite you to the 1st International Assembly Night on Tuesday, 8 June, 2010. Take this opportunity during the AUTOMATICA and meet business leaders of the assembly and handling technology industry.

Please come and join us for a pleasant networking event in a casual setting. Enjoy drinks and dinner at the restaurant "Am See", conveniently located on the trade fair center.

Dinner Speech by VDMA Chief Economist Dr. Ralph Wiechers:

"Mechanical Engineering: Structures, Prospectives and Challenges"

"Recently, the mechanical engineering sector – including assembly and automation technology – has truly found itself on a roller-coaster ride. While last year brought a rapid descent, current indicators point to recovery. In my dinner speech, I will draw on the latest figures and data to reveal what challenges and opportunities lie ahead for our industry." Dr. Ralph Wiechers, Chief Economist of VDMA (German Engineering Federation).

(Dr. Ralph Wiechers)

Entrance is only possible upon registration. Full payment is requested in Euro by credit card. Please fill in the registration form attached and send it by fax to +49 69 6603-2470.
